

Dear Parents and Carers,

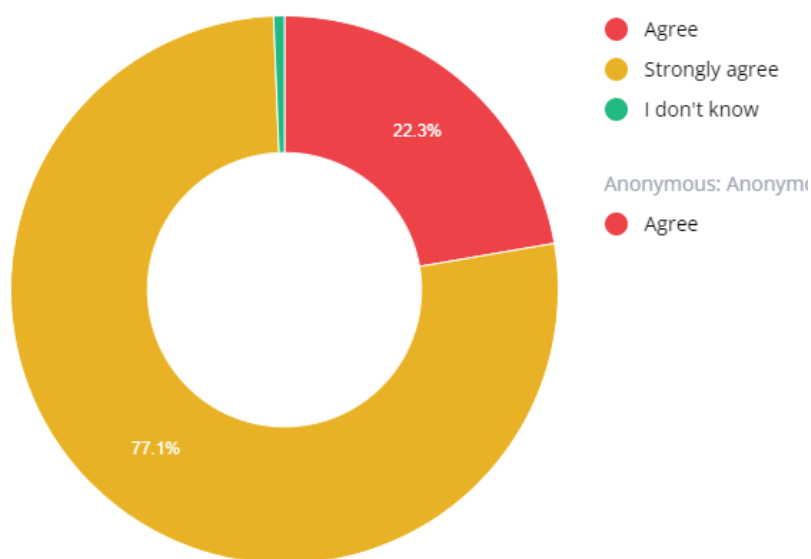

Thank you for sharing your views and feedback through our Consultation Form. We value your feedback and your views support our ongoing school evaluation. We received 159 responses, this represents **45% of families** at Sherwood. The narrative within the report provides a response to your written feedback.

Thank you again, Mrs J Lumb.

My child is happy at Sherwood Primary School

My child feels safe at Sherwood Primary School

Parent/Carer Feedback: Both of our children absolutely love going to school each day. They are both always excited about the topics they are learning and love to share their learning with us, at home. They love all things active and we feel Sherwood offers them a wide range of sporting and outdoor enrichment.

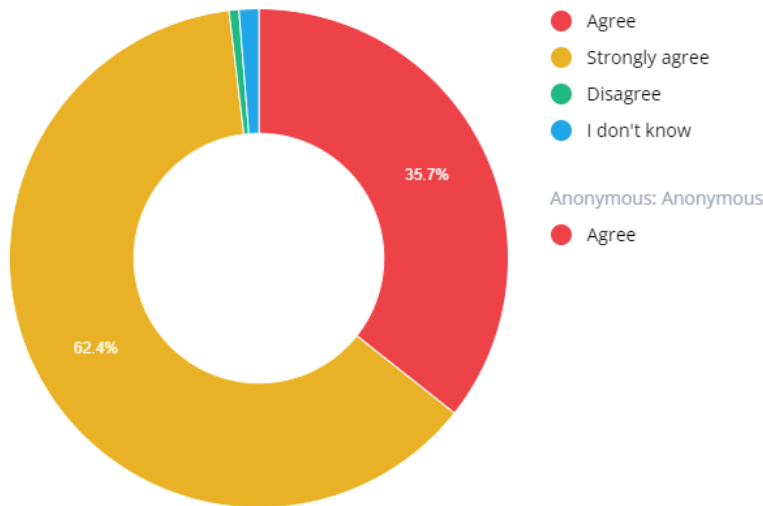

Parent/Carer Feedback: EYFS staff are amazing, my daughter adores each and every one of them, they are patient, caring and kind to the children and parents.

Parent/Carer Feedback: Thank you to all the staff that go above & beyond with extra curriculum activities. The outdoor learning experiences are great too. Would love to see more encouragement with healthy lifestyle-encouraging children to drink more water in the school day- so beneficial to support learning, moving more - a walk round the running track before school every day.

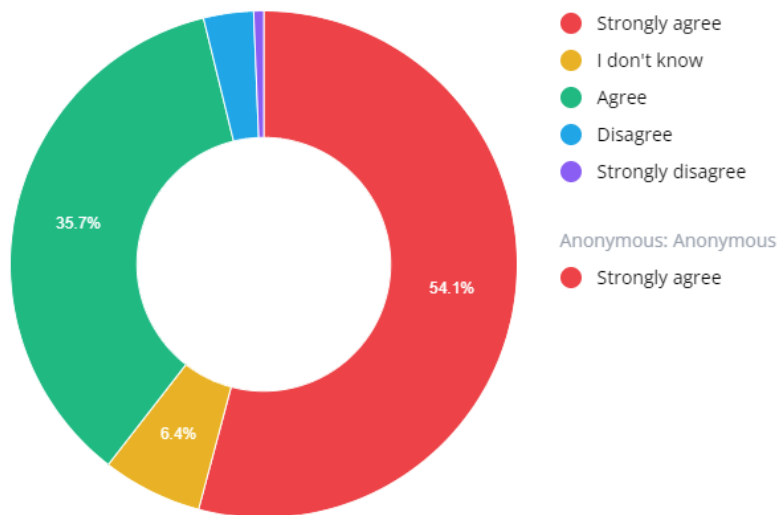

School response: Thank you for providing your child with a water bottle each day. We encourage our children to drink at transition points throughout the school day and timetable; end of lessons, breaktimes, PE lessons for example. Our children are encouraged also take their water bottles outside at break and lunchtime.

Thank you for your feedback on keeping active! We are always looking for new ways to keep our children moving! This year we have organised a timetable for the use of our running track at lunchtime. We also encourage parents to walk to school or park further away from the school grounds to benefit from physical activity before the start of the school day. We also promote cycling to school, supervised by a parent as appropriate.

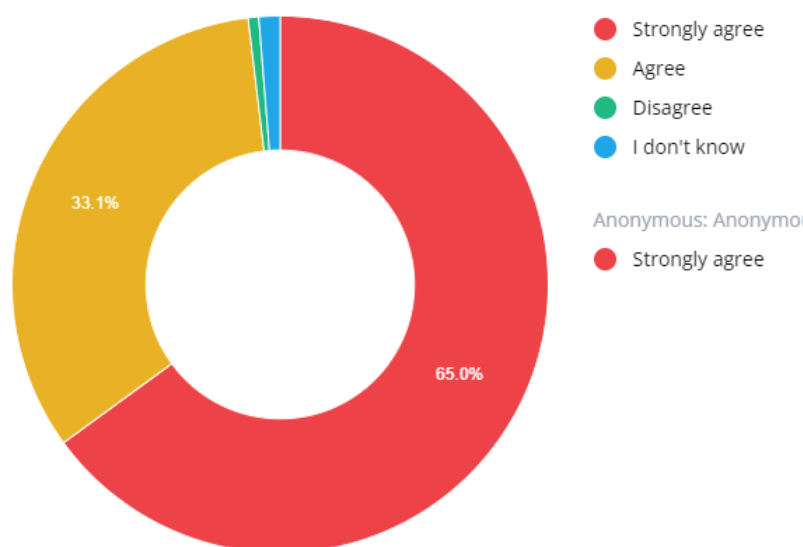

My child does well at this school

When I have raised concerns, they have been dealt with properly

Sherwood Primary School makes sure its pupils are well behaved

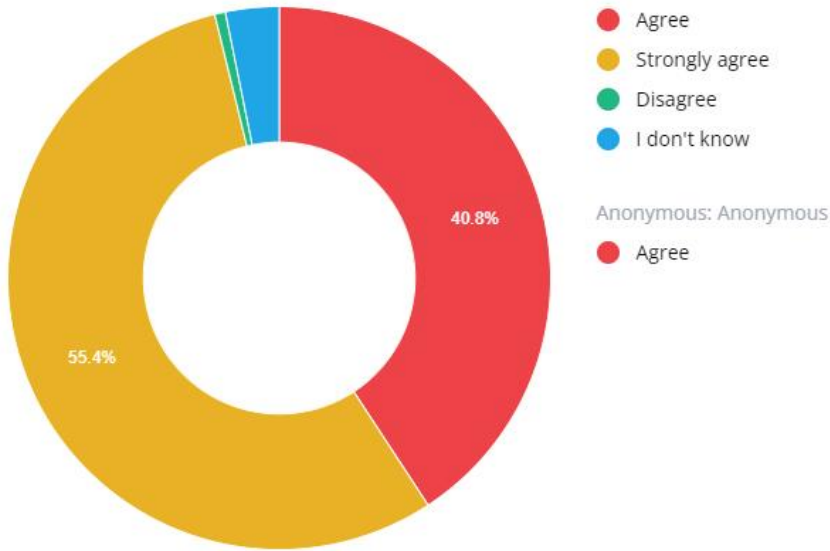

Parent/Carer Feedback: I would like to mention that to get a place for extra curricular classes when it is displayed on spider is really hard. Within no time all places are filled and I could not book for any through out this academic year. I do understand that first come first served but would like some kind of arrangement for everyone to get a place at least once in an academic year. Thank you.

School response:

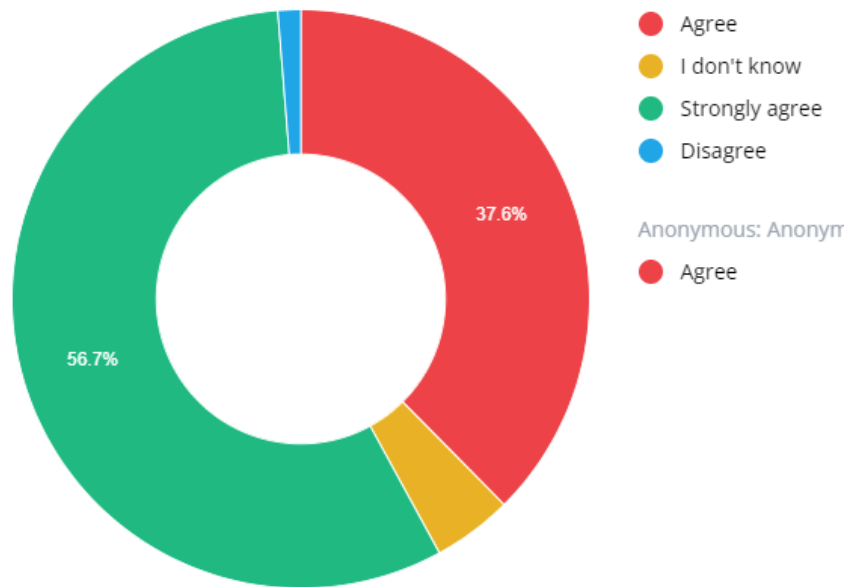

Thank you for your feedback, We offer the following reassurance for the academic year ahead:

- When registration opens, parents who book more than one club for their child have places removed and are offered one club only (this is selected randomly by school).
- Spare places are then offered to parents who have expressed interest after registration has closed.
- Each term, attendance is closely monitored. Early registration is offered to children in Spring and Summer Terms who have yet to attend an enrichment club or have expressed an interest.
- In 2022-2023, 80% of children attended at least one before, lunchtime or after school enrichment activity. This was a 13% increase from the previous academic year.
- Activities are carefully planned so that our children can benefit from staff expertise and prepare for sporting fixtures. The number of opportunities available to each year group will therefore vary each term and links closely to the Sporting calendar.
- This year, if registration for a particular activity has closed, please complete our EXPRESSION OF INTEREST FORM for your child. We will contact you if a place becomes available or offer your child an early registration opportunity in the Spring Term. Thank you.

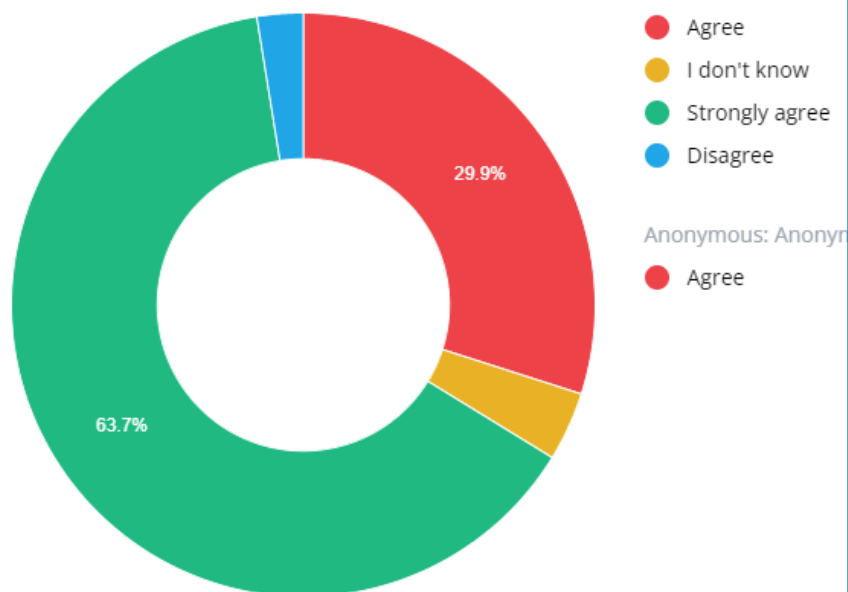

Sherwood Primary School makes me aware of what my child will learn during the year

The school supports my child's wider personal development

Sherwood Primary School has high expectations for my child

Parent/Carer Feedback: My daughter started Sherwood midway through the academic year and has already been made to feel one of the Sherwood family. She is excited to go to school and is achieving. Expectations are high and the care and support given is unmatched.

Parent/Carer Feedback: I would recommend the school to my peers for its inclusiveness and 360 development.

Parent/Carer Feedback: We are proud to be part of this outstanding school. A school where the leadership team work hard with all staff and parents to achieve the best for the children. A school that prioritises and contributes to children's educational attainment, wellbeing, personal development and mental health.

Parent/Carer Feedback: Really happy with Sherwood and the style of teaching and leadership. My first child is in EYFS and has grown so much with his reading, overall learning and social skills also. Thank you.

Parent/Carer Feedback: I think what school could improve on is to provide forward looking view as to what the children will be doing in each half term or maybe include a link in the newsletter reminding the parents where to find the information.

School response: Our Curriculum for each Year Group is available on our website. We break this information down each half term in our Year Group Curriculum, Newsletters.

We will provide a link to our curriculum newsletters more regularly on our Newsletter each week, signposting you to this information.

Our children's weekly homework tasks will also provide reference to the learning that has taken place in class each week. Thank you.

98.7% of Parents and Carers would recommend Sherwood Primary School to another parent. Thank you for your recommendations, support and encouragement.
