BASE NEWSLETTER

Sept 2023

Before and After School Enrichment

Dear Parents,

Welcome to our first newsletter of the new term. A warm welcome back to BASE and may we introduce our team, Mrs Roberts and Mrs Swain are the BASE Managers together with Mr Johns, Miss Carrera, Mrs Pike, Mrs Mullar, Mrs Iddon, Miss Carthy and Mrs Bux our play-workers. Mr Quirk our Business Manager deals with your booking forms and payments, he can be contacted via email with any queries.

In BASE we value each other and this is reflected in the opportunity we provide for the children to learn through play in a stimulating environment. We provide a happy, safe, warm and exciting setting where the children learn and develop freely. The older children really enjoy helping the younger children develop their independence and social skills. Our topic this term is, 'All about Me' and 'My Family.' The children have enjoyed drawing and talking about their family members. Please look and enjoy our BASE gallery where we celebrate the children's work and play.

Our role play area is, 'People who help us.' the children through play explore the roles within the community and how working together keeps us healthy and safe. Our X-Ray department is open for the children to discover what is inside our bodies, through discussion and visual aids the children will produce a skeleton using art straws.

In the morning/evening the children are provided with a snack, accompanied by a range of fruit and water is always accessible. The snacks comprise of toast and cereal in the mornings and evenings a range of sandwiches and wraps with fillings. There is always a vegetarian option.

When collecting and dropping off your children, thank you for your patience when waiting outside. Any questions, please ask a member of the team when dropping off or collecting your child/ren.

Thank you,

The BASE team.
