BASE NEWSLETTER Jan 2024

Before and After School Enrichment

Dear Parents,

Welcome back everyone and a Happy New Year from the staff and the children in Base.

A big welcome to any new children who may have joined us. Thank you for your lovely gifts and kind wishes for the festive season.

It is very cold at the moment and we are ensuring the children are entering the outdoor areas with their coats, hats and scarves.

Our Topic this term is Traditional Tales, we have some exciting activities for the children to explore.

Space is also our theme this half term, with an informative display and educational role play area as well as activities for the children to explore and learn about our solar system.

Our displays will be on our web site to celebrate the children's creativity.

The junior children have produced large scale Three Little Pigs and used their skills to produce information for our Space display.

The Base team are looking forward to a fun packed half term and if we can help any way please get in touch.

Thankyou
The Base Team.
