Before and After School Enrichment

Dear Parents,

Welcome back after the half term break and welcome to our new children and parents who have joined

Our role play area this half term is, 'BASE Vets.' This is always a popular role play area for the children to share their love and knowledge of pets together with creative activities, it is also an opportunity for the children to talk about their own pets.

We also have a Zoo display where the children will be busy collaging animals and learning about their different habitats.

The children will be planting daffodil and tulip bulbs in our outdoor planters ready for spring as well as observational drawings of different flowers.

Our annual Easter Egg competition is the last two weeks of term. The children will be colorings/designing their own bespoke egg. There will also be Easter activities for the children to enjoy. Please look on the website for photos of the children and a celebration of their creative art.

The Base team are looking forward to a fun packed half term and if we can help in anyway please get in touch.

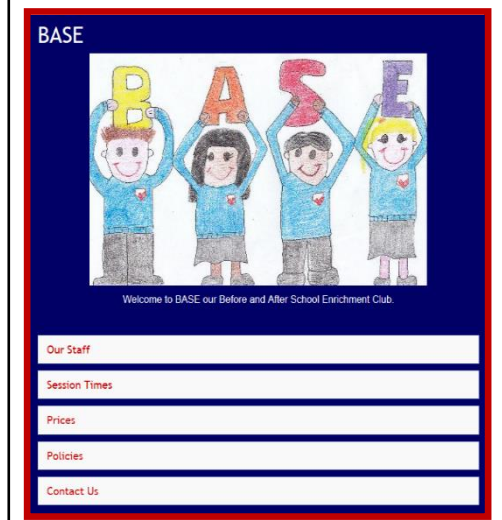

Thankyou

The BASE team.

OUR NEW WEBSITE

Our newsletters will now be available on

our new school website.

Our EYFS Topic this half term:

'Dear Zoo'

by Rod Campbell.
