April 2024

Before and After School Enrichment

Dear parents,

This Summer term our topics will be, 'Down on the Farm' based on the story, 'Farmyard Hullabaloo' & 'BASE Farm shop.'

The children will enjoy the story of the farm animals noisy, rhyming animal romp and creating characters from the story. Our role play area will be a Farm Shop which is always popular. We will also be going on bug hunts and drawing bugs for our display. The children will explore habitat and life cycles of Minibeasts.

The children will also be experiencing and enjoying the great outdoors with the implementation of our own BASE Forest School. We will not be venturing off site but taking advantage of our wonderful field and the natural environment Sherwood has to offer. We will give the children the opportunity to achieve and develop confidence through planned activities and spontaneity.

Baking has also become a popular and enjoyable activity with the children too. The children's artwork will be celebrated in BASE through displays which will be on the website for you to enjoy.

A fun packed term ahead.

Thank you,

The BASE team.
