## The Very Hungry Caterpillar

This week we have been reading the story 'The Very Hungry Caterpillar' by Eric Carle. Through this story we have been exploring the life cycle of a butterfly. The children have learnt some new vocabulary:

**Cocoon**

**Chrysalis**

**Pupae**

**Metamorphosis**

We had a delivery of some little caterpillars and we are going to enjoy watching them grow and change over the next few weeks! At forest school we used natural objects to make our own butterflies. The children worked hard to make sure that their wings had **symmetrical** designs.

## Requests

Several cardigans/jumpers have gone missing recently. Can we please ask that everyone checks that the right items have come home. Can we also ask that **all** items of clothing are clearly labelled with names. Thank you!

## Homework

Your home learning challenge this week is to make your own butterfly. You could use paint, crayons, collage materials etc. Try and be as creative as possible! We look forward to seeing your butterflies on Seesaw!

## Next Week

We are going to continue our theme of 'In the Garden' and begin to look at flowers. We will be reading the story, 'Sam Plants a Sunflower'. We are going to be planting our very own sunflower seeds and seeing who can grow the tallest sunflower!
