Farm Day!

On **Monday** next week we will be welcoming a mobile farm to school! We will be spending all day outside meeting the animals and taking part in lots of fun farm themed activities.

Your child can come in to school in their **own clothes**. Please ensure they are dressed appropriately for the weather and for spending a whole day outdoors. Knowing the good old British weather this could mean **raincoats** and **suncream**! If your child has **wellies** in school, they can change into these when they arrive in the morning. Please also ensure your child has their water bottle in school.

The Veggie Gang!

On Monday we had a surprise delivery - some baskets of vegetables! There were **parsnips, carrots, potatoes, cabbage, broccoli, courgettes, leeks** and **swedes**! We even found some vegetable seeds to plant in our vegetable patch! Then right at the bottom of the baskets we found Colin the Carrot and Casper the Cabbage! There was also a letter inside and upon reading it we discovered the basket had been sent by Farmer Ted! We spent the whole week writing letters to Farmer Ted and enjoyed receiving his replies! We can't wait to meet him next week!

On Thursday, we decided to make Veggie Gang soup! The children enjoyed chopping and preparing the veggies but enjoyed eating it even more!

Home Learning

Why not have a go at chopping and preparing some veggies at home! We'd love to see photographs of what you helped to make! If you are out and about at the supermarket, have a look at the vegetable section and see if you can name some of the vegetables. Can you find and learn the names of any new or unusual vegetables?

Please don't forget the most important thing to do at home is read your school book every day!
