### Multiskills

On Tuesday this week, a team of children went to Westview Leisure Centre to compete in the Under 5s Multiskills competition. We were up against teams from many other schools across Preston and are so proud to share that they came 3rd!

Well done to all the children who represented our school beautifully and showed amazing teamwork and sportsmanship. We are so all so proud of you!

### Elmer

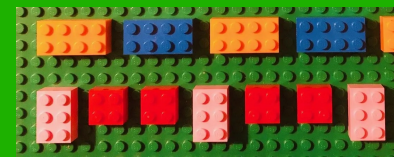

This week we have continued to read the **Elmer** stories. Alongside the stories, the children have been learning and writing facts about jungle animals. They have been developing their Oracy skills through a range of different activities.

In RE we have continued to explore the theme of 'special places'. The children have really enjoyed spending time in our mosque role play area. It has been wonderful to see the children asking questions and learning from each other. Next week we will begin to learn about the Hindu faith and our role play area will become a Mandir.

### Home Learning

In our maths this week we have been learning about repeating patterns. We have made repeating patterns using colours, shapes and objects. Have a go at using some objects at home to create a repeating pattern.

### Next week

This week we begin our theme, 'Under the Sea' and will be reading the story, 'Rainbow Fish'.
