## Book Drop!

On Monday next week the children will come home with their very first Sherwood **Book Drop** book! This is a book that is gifted by school for them to keep. When you open the book you will find a QR code that will take you a page on the school website all about your book. On this page there will be a video of the story being read, some suggested questions to explore

together and some activities you might want to try at home! We hope you enjoy sharing this text together!

## 999 It's an emergency!

This week the children have continued to explore the theme of 'people who help us'. We have focused on doctors, nurses, fire fighters and police officers. The children have learnt lots of new vocabulary such as **crime, emergency, stethoscope, infection, prescription**. They also learnt some makaton signs for **firefighter, fire station, fire engine** and **hose!** We have had lots of fun - inside and outside - taking on the roles of different emergency workers and acting out different scenarios. Have a look at the gallery on the school website to see more photographs!

## On Seesaw this week...

Next week we will begin our new learning all around **pets**. If you have a pet at home we would love for you to share a photograph on Seesaw. If you don't have a pet, perhaps you could chat together about what of pet your child might like to own. We also look forward to seeing your weekly **news** photographs to share in our key worker time! **Please note that we have now altered the settings to enable parents to comment on Seesaw posts.** We apologise that this was previously disabled.
