

SHERWOOD PRIMARY SCHOOL

3MW REMOTE LEARNING PLAN

Tuesday 5th October 2021

CORE LEARNING TASK FOR ENGLISH

Enjoy the biography of Jane Goodall:

<https://www.youtube.com/watch?v=pESavD4aXhc>

Today is your chance to use the questions you generated yesterday. Ask your family member your key questions and make notes of their answers.

Send in a picture of your answers or a video/sound recording of your interview.

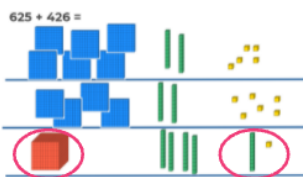

Remember, you will need this information in order to write a short biography tomorrow.

CORE LEARNING TASK FOR MATHEMATICS

Warm up:

Practice your 4x tables with the following song:
https://www.youtube.com/watch?v=8QU_E0u-tP4

Column addition $625 + 426 =$

	6	2	5	
	+	4	2	6
	1	0	5	1
			1	

Today we will continue our column addition work from yesterday.

We will be looking at how to add three-digit numbers when regrouping is needed, as demonstrated in the picture above.

Please watch the following video, which will guide you through the task.

<https://classroom.thenational.academy/lessons/adding-two-3-digit-numbers-regrouping-in-multiple-columns-74u3ce>

Work is assigned on SeeSaw.

KEY VOCABULARY

Addition, subtraction, place value, equals, biography, open ended, X axis, y axis, title, tally, bar, scale

WIDER CURRICULUM TASK

Title: How Do We Get to School?		
Categories	Tallies	Total
Walk		7
Bike		3
Car		4
Bus		12

In ICT we have been using technology to create our own survey questions and last week we looked at collecting data.

This week we are going to use a programme to create a bar chart. Please use the above data in the tally chart to create a bar chart on the following website.

<https://www.mathsisfun.com/data/data-graph.php>

Watch the video on the website which explains how to create the bar chart.

Take a screen shot of your bar chart and send it in on SeeSaw.
