Shining Stars!

Week ending: Friday 8th November 2024

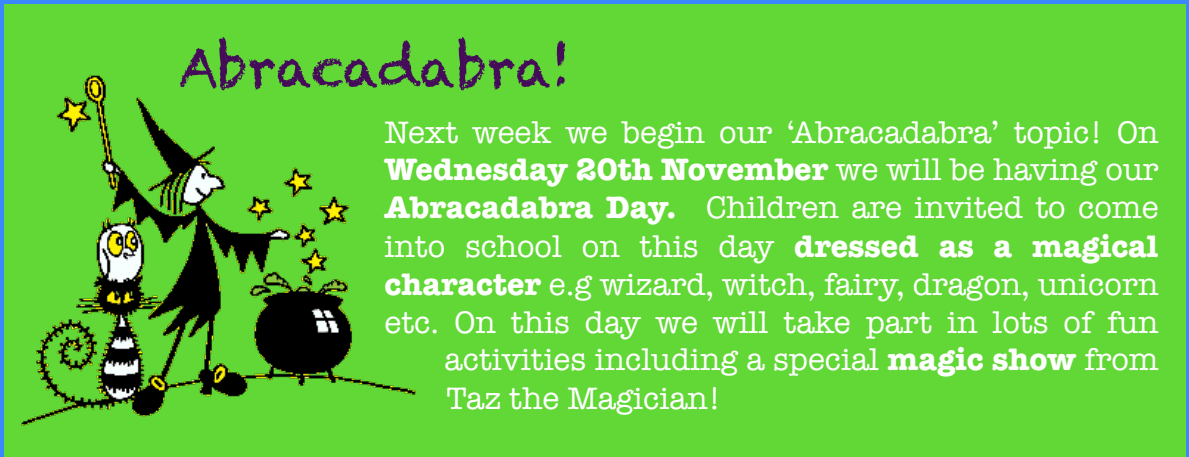

### Let's celebrate!

The children have had a great time in our birthday party role play area this week! Thank you so much for all the wonderful donations of birthday banners, hats, table cloths, plates, cups, banners and party bags! They have all really helped to enhance the provision! It has been lovely to hear the children sharing their birthday experiences, singing happy birthday to each other and coordinating various party games. The TonieBox has come in very handy this week for playing musical statues and musical bumps!

### Forest School

We are now taking part in weekly Forest School sessions in our Key Worker groups. This week the children enjoyed collecting autumn leaves and threading them onto a skewer to make leaf creatures! They manipulated clay to create a head and tail. Please ensure that your child has a **pair of wellies** in school - clear **name labels** please!

### Abracadabra!

Next week we begin our 'Abracadabra' topic! On **Wednesday 20th November** we will be having our **Abracadabra Day**. Children are invited to come into school on this day **dressed as a magical character** e.g wizard, witch, fairy, dragon, unicorn etc. On this day we will take part in lots of fun activities including a special **magic show** from Taz the Magician!

### On Seesaw this week...

As always, we would love you to share photographs of what the children have been up to at the weekend. We can not express enough how useful these are at helping the children to have the **confidence** to speak in front of their peers.
