Week ending: Friday 6th December 2024

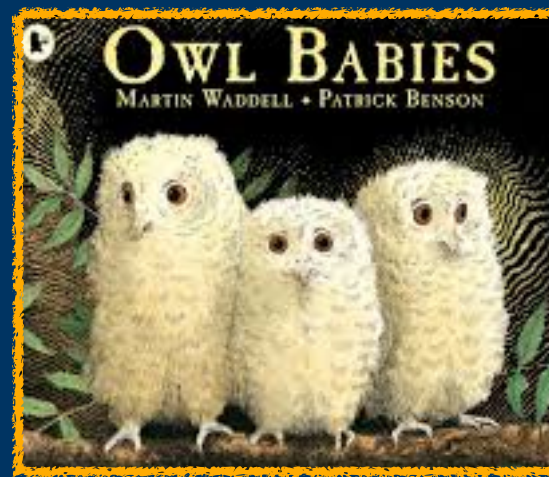

Shine Star, Shine!

We are excited to share our Nativity performance with you next week! Our performances are on:

Thursday 12th December 2:30pm
Friday 13th December 2:30pm

You should have now received a letter informing you of the character that your child will be in our performance and what they will need to wear. Please do not hesitate to speak to staff if you have any questions.

Owl Babies

This week we have been reading the story 'Owl Babies' by Martin Waddell and Patrick Benson. As well as enjoying the story and joining in with repeated refrains, the children have learnt lots of facts about owls. We learnt that they are nocturnal so sleep in the day and come out at night. We also learnt that owls can nearly turn their head all the way round and that baby owls are called owlets.

Hampers

Thank you to all the families who sent in items for our Christmas hampers today. We are still looking for **donations** so if you have any food/pamper items to donate then please hand to EYFS staff on the gate.

Children can enter the **Lucky Square** competition to be in with a chance of winning one of these hampers! Entry is £1 per square.

Word Web

We have word web displays in our classrooms where we stick new and interesting vocabulary. The children help identify words to put on there each day and we frequently revisit them to help us learn their meaning.

It would be great for you to talk about these words at home. If you speak a different language then it would be amazing to help your child practice the new words in both languages. It is so important for your child to develop in all of the languages they speak

This week our words have been:

Nocturnal

Owlets

Hunting

Talons
