Run, run as fast as you can!

This week we have been reading 'The Gingerbread Man'. We looked closely at a **recipe** for making gingerbread men and decided to give it a go! The children worked in their key worker groups to weigh and mix the **ingredients** and then roll and cut the dough. We hope they all enjoyed eating their gingerbread men at home!

The children were intrigued as to what would have happened to the gingerbread man if he had gone in the river instead of climbing on the fox. We took a spare gingerbread man and placed it in a container of water. We observed how the gingerbread man began to soften and break in the water. We have also been exploring **floating** and **sinking** and have written up some of our findings in our 'Busy Books'!

Baking challenge

The children have loved **baking** at school over the last few weeks. We hope that it has inspired them to have a go at baking at home too! We would love to see photographs on Seesaw of any baking that you do together at home.

Reminders

Thursday 6th March is World Book Day

Children are invited to come to school dressed as a book character. The theme this year is classic fiction. See the whole school newsletter for more information.

Please can we ask that parents who drop off at the **Oak Tree Room** (Mrs Stamp) say goodbye to their children at the gate and do not linger at the fence near the door to our classroom. This will help children to come into school and begin their morning challenge work swiftly. Thank you!
