TOP TIP – Remember to use the process we used in class and think about the distance and orientation of the shape to be reflected.	When we have been writing this week, we have looked at editing our work by checking for spelling errors, punctuation mishaps and sentence misdemeanours. Read through the passage in your homework books and write out the passage in your best handwriting, correcting the errors as you go.	This week, please work on discussing your reading book with an adult at home. Either focus on summarising the book so far, giving your opinions about the characters or expressing your opinion of the book so far.	12.02.25
