

# SHERWOOD PRIMARY SCHOOL

## YEAR 1 REMOTE LEARNING PLAN

Wednesday 6<sup>th</sup> January 2021

### CORE LEARNING TASK FOR ENGLISH

Today we are looking at identifying sets of rhyming words in our story 'Zog' by Julia Donaldson.

To warm up try creating your own rhyming string or play rhyming ping pong with a family member e.g. if you say hat then the next person must say a word that rhymes with hat, such as cat, and continue until you run out of words!

Now watch today's video and listen out for those rhyming words then look at the worksheet assigned to you on Seesaw and see how many rhyming words and sentences you can spot!

### CORE LEARNING TASK FOR MATHEMATICS

Today we are thinking about the place value of different 2 digit numbers. We would like the children to draw their own Base 10 jottings for different numbers.

Please have a look at today's video to explain how we partition and draw jottings for different numbers.

Use number generator to produce a number and then draw the number using your own Base 10 jottings.

<https://pickerwheel.com/tools/random-number-generator>

### KEY VOCABULARY

**Maths** – tens, ones, partition, jottings,

**English** – capture, hoarse, fearsome, gleaming.

**Challenge**- could you write a sentence with any of these words in?

### WIDER CURRICULUM TASK

In PSHE today we are thinking about healthy eating. Think about foods which are healthy and unhealthy and fill in the eat well plate on seesaw.
