YEAR 5 REMOTE LEARNING PLAN

Friday 8th January 2021

CORE LEARNING TASK FOR ENGLISH

Today is a cross between Art and English! Watch the video and listen to Mrs Sheppard reading out a setting description from a Science Fiction story. Listen to this description again with your eyes closed and try and picture in your head, what is being described. Then, using a blank piece of paper, a pencil and some colours (if you have some) begin to sketch out what you picture. You can relisten to the description as many times as you want to help you with the details. Once you have finished (AND NOT BEFORE!) you can finish the video, where the image will be revealed. Please take lots of time and care with this artwork - it should take you at least 45 mins to complete. There is also a Spelling task for you today. Look at the two columns of sentences. Choose which one (A or B) uses the apostrophe for possession correctly, for each sentence. Please write out the correct sentences and submit them on SeeSaw.

CORE LEARNING TASK FOR MATHEMATICS

Today in your Maths we are going to look further at the use of Roman Numerals. First, I would like you to look at the presentation and complete the task of comparing and ordering a selection of positive and negative decimal numbers. Follow the presentation to remind yourselves of the rules and if needed watch the short clip here

<https://www.youtube.com/watch?v=GgG3iyV1UZg>

And play the matching pairs game which can be found on the presentation. This game will allow you to become familiar with the Arabic numbers and associated Roman Numerals. Finally have a go at solving the question contained in the plenary.

There are also two tasks on Mathematics to complete, one is converting to Roman numerals to 1000 and the other is converting from Roman numerals to 1000.

WIDER CURRICULUM TASK

This term we are going to use the Charanga unit entitled 'Fresh Prince of Bel Air'. I'm sure many of you are already familiar with the tune from the sitcom of the same name starring Will Smith. Log on to the YUMU site using the login details found stuck in your Homework diary. Find the Fresh Prince of Bel Air unit and click on Lesson 1. We would like you to Listen and appraise the piece before playing the games track and looking to learn the song. Enjoy.
